RE: Your Request for Public Records

Dear Mr. Maxwell:

On November 4, 2019, the Office of the Governor received your request for the following records pursuant to the New Mexico Inspection of Public Records Act (NMSA 1978, §§ 14-2-1 to -12):

Sufficient public records to identify all of the most-recent appointees of the Governor of New Mexico to the New Mexico Distinguished Public Service Awards Council, as described at the <http://www.nmdpsa.com/history.html> webpage.

We have conducted a thorough search of records maintained or held by the Office of the Governor and we have not located any records responsive to this request. Please note that the reason no responsive records to this request exist is because the Governor does not actually appoint any members of the New Mexico Distinguished Public Service Awards Council, despite the language appearing on the Council's website. We have asked the Council to remove that language from its website.

Please let us know if you have any questions about your request or this letter.

Kind Regards,

A handwritten signature in black ink, appearing to read "Jonathan J. Guss".
